### CALLING TO THE NATIONS

Mobilizing fired-up Christians to reach the unreached in the nations with the truth and freedom of the Gospel of Jesus Christ, is VTN's passion - either in person or through media and livestreams.

Albert is an Evangelist Ordained as Minister with Current CFN FMC Credentials. He began boldly preaching the Gospel at the young age of nineteen over four decades ago in the Middle East and in 2008 after the Lord revived his spirit and calling, he began an online ministry in many languages reaching over three million viewers in combined platforms gaining him a Wikipedia spot. He has also preached in France to Armenian, Lebanese, French and Brazilian congregations. Albert is a skilled Graphic Designer who worked professionally for three decades in printing companies, fourteen years in Beirut Lebanon and sixteen years in Paris France.

Melodie's calling to missions began in 1993 when she was nineteen years of age. She is a Missionary Evangelist Ordained by CFN FMC and is a CFNI Bible School Graduate with a Bachelor Degree in Theology, who so far has stepped into forty nations - twenty of them while full time missionary in France teaching her worship course in four languages to churches, Bible Schools and ministries for over half a decade between 2013-2019.

She has had decades of experience beginning in the early 90's working with children and youth on many mission trips, in summer camps, and outreach events in Mexico, America, The West Indies, Europe and in Asia. She has experience in prayer ministry, Christian counseling, Prophetic and healing ministry and has recorded several studio music albums including worship originals in four languages.

Currently they preach a Sunday livestream ministering to hundreds weekly through teaching & worship in various languages. They were divinely matched by the Lord and married in 2018 moving from Paris France in 2019 to Texas.

Bringing Jesus to the broken and forgotten is a mission burning in their hearts.
